INTERCHANGEABLE PANELS

Sanus **Vertical Foundations™** Series **VF5023** allows you to **mount the whole AV system** directly under a Flat Panel TV for a sleek, seamless look. It combines the capacity of a cabinet with the discreet look of a low-profile Wall Mount. Includes features such as adjustable tempered glass shelves (34kg capacity), generous concealed wire and cable management and **Pro Set™** adjustments to ensure perfect positioning and leveling, even after installation. Depending on your décor, the VF5023 has interchangeable black glass or mocha-finished wood back panels to match your décor. Also available in a two shelf version. Check out the rest of the VF range on www.sanus.com.au
